GENERAL INFORMATION

APPLICATIONS FOR TELEPHONE SERVICE

Applications for service, rates, changes in service, directory listings, directory advertising or other information, may be made by telephone, by mail, or in person to the Company's Business Office.

ACCOUNTS FOR SERVICE

Accounts are rendered monthly and are payable when rendered. Each subscriber's account contains charges for exchange service for one month in advance from date of the account and charges for Long Distance calls up to the twentieth of the preceding month. Directory Advertising accounts are billed monthly in arrears. For the convenience of our subscribers these accounts may be paid at any of the branch banks of the Royal Bank of Canada.

SERVICE DIFFICULTIES

Our aim is to render service that will be satisfactory to our customer. We realize that difficulties will occur despite all our efforts to avoid them. If at any time difficulties are not promptly corrected or unsatisfactory conditions persist, we will appreciate your communicating the facts to the Manager.

IDENTIFICATION OF EMPLOYEES

All employees of the Company whose duties require them to enter the premises of subscribers or others, are required to wear a badge similar to the accompanying illustration or to produce a card of identification from the Manager. Any person claiming to be an employee of the Company who is without this card or badge should be refused admission, and the Manager be notified at once by telephone.

INTERFERENCE WITH APPARATUS

A Subscriber is not allowed to remove or otherwise interfere with the wire connections or parts of any telephone apparatus leased from this Company, or make attachments thereto.

SUBSCRIBERS' USE OF LINES

The right of the Subscriber is to use the instruments and connecting lines (except public telephones) where the Company may place them, under such rules as the Company may from time to time prescribe. He shall not extend their use to other individuals, except his servants upon his business, nor shall they be used for any tolls or consideration to be paid by any person other than the Subscriber, nor does this confer on him the right to use the instrument of another Subscriber.

DIRECTORIES

The Company assumes no liability whatever for damages occurring from errors or omissions in the making up and printing of this book. Subscribers are, however, requested to promptly report to the Business Office, by telephone or in writing, any error which may appear in this issue so that it may be corrected in the next issue.

This Directory is the property of the Company. It is printed for the exclusive use of the Company's patrons and is loaned to its Subscribers. All persons are cautioned against reproducing its contents.

RURAL PARTY LINE INSTRUCTIONS

Always listen before ringing, to ascertain if the line is in use and thus avoid interrupting a conversation that may be in progress.

Before calling a subscriber on your line make sure of his number by consulting the directory, then ring, being careful to make the signal distinct. The signal to give is indicated by the number following the letter "r". The first figure following the letter "r" represents the number of long rings, and the second figure, the number of short rings. For example, to call r-24, give two long followed by four short rings. Do not press the push-button on your instrument when calling a subscriber on your line.

To call a subscriber on another line, signal the operator and give her the number. To signal the operator, press push-button while ringing.

When conversation is finished, replace receiver and give one quick ring-off. Do not press push-button while ringing off.

Conversation should not exceed five minutes' duration. Bear in mind that while you are using the line other subscribers are unable to do so.

PUBLIC NOTICE

This Company's tariffs are open to public inspection. The Exchange Tariff may be seen on application to the Manager at the Company's Central Office. Long Distance Toll Tariffs may be seen on application at the Head Office of the Company, in the city of Montreal, Que., or to the Company's Manager at the toll centre of any locality, the name of which toll centre will be furnished by the Manager of the Local Exchange.

The following are the toll centres in the district covered by this directory—

Long-Distance Calls are Classified in a Simple Manner—

STATION-TO-STATION CALLS — Where you will speak to *anyone* at the distant telephone

This type of call meets most needs and is at the lowest rate; it is the simple basic call, requiring only the connecting of two distant telephones. Reduced rates on this type of call are effective from 8.30 p.m. till midnight; and further reductions from midnight till 4.30 a.m. (Minimum reduced rate is 25c.)

PERSON - TO - PERSON CALLS — Where a particular person is desired

Entailing, as it does, more labor and longer use of lines, this type of call takes a higher rate. In the event of the call not being completed a small charge is made for reports furnished. If the call is carried over and completed next day, report charges are waived.

These special services are also available—

APPOINTMENT CALLS are made when a particular person is required at a specified time. The rate is slightly higher than person-to-person rate. The operator makes the appointment with the distant party.

COLLECT CALLS - - - Where called party is requested to pay for and accepts charges.

Collect calls are all on person-to-person basis and rate.

MESSENGER CALLS are made where the called party cannot be reached by telephone and a messenger is sent to bring the party to the telephone.

Both appointment and messenger calls are on person-to-person basis, plus charges for extra service.

Give the operator the distant number if you can; it speeds up the service.

"CRAFTSMEN IN KEEPING THINGS NEW"

The Cleaning and Dyeing Skill

Of this remarkably Successful Plant now

Brought Right to Your Very Door

LANGLEY'S in Toronto has grown in a few years from nothing to the largest cleaning and dyeing plant in Canada. Why? Because Langley's have introduced a higher standard of craftsmanship—a more modern and expert type of service—a more *complete* service. Over fifty thousand homes are today Langley customers. In Toronto itself, one out of every three homes has turned to Langley's for cleaning, dyeing, repairs, alterations, pressing, etc. Now, with a larger plant, we can serve more and more customers.

WHY YOU SHOULD USE LANGLEY SERVICE

Personal Attention

Our Mail Order Department is capably managed and is organized to give your order individual attention. The fact that the number of our mail order customers increased 180 per cent. last year indicates the satisfaction we give.

City Prices—No Extra Charge

We do not have one price list for the City and another for the rest of the Province. Our Mail Order customers pay not one cent more than our city friends.

We Pay Return Shipping Charges

Simply send your parcel to Mr. Geo. S. Langley and write a letter saying what you have sent and what you want done. The goods will be returned to you promptly and the return shipping charges will be prepaid by us.

Our City Customers on vacation will find our Mail Order Service as satisfactory as our city delivery.

New Patented Shipping Container

of our own design used to return garments, curtains, draperies, etc. Goods reach you creaseless—just as fresh and beautiful in finish as if delivered personally by our drivers in the City.

Homes All Over Ontario are Enthusiastic In Praise of Our Work

WE receive hundreds of letters of commendation every year. No wonder—there is no place in Canada using such fine equipment for cleaning. In Mr. W. J. Fontaine, our dyeing superintendent, we have Canada's premier authority on special dyeing. And then again our service is so broad—from fine oriental rugs to curtains, from portieres to wilton carpets, from cleaning and storing fur coats to dyeing the most delicate of evening gowns, from cleaning blankets to fine embroidered linens, from cleaning and reblocking hats to cleaning gloves. Test this service once and you'll use it often.

free!

Send for booklet describing the many things we can clean or dye, and giving prices.

A Great Step-Saver

"SPEAKING of Labor-Saving Devices" said Mrs. S——— "reminds me that I did not tell you about the extension telephone George had installed for me last week.

"With this extra telephone upstairs I have been saved dozens of tiresome trips.

"I can now call or answer the telephone on whatever floor I happen to be—up-stairs or down. The convenience of the service has been practically doubled."

This violates no confidence

HERE IS THE STATED POLICY of one of the most successful selling organizations in Canada.

"Upon each salesman is placed the responsibility of adequately covering his territory, by personal call or Long Distance. The telephone charges are paid by the Company."

This Company has *proved* that such a policy brings increased business, *and holds it.* All salesmen's calls are placed on the Station-to-Station basis.

¶ How much would your Company's business increase if you gave such a policy a three months' try-out?

THE BELL TELEPHONE COMPANY OF CANADA

—that's where to get it

THIS IS THE FOUNTAIN-HEAD OF LATEST INFORMATION.

Here you will find the correct names, addresses, business, and telephone numbers of all the people you want to do business with—in the Telephone Directory.

"The more we study our business, the more we use the Telephone Directory"—says a leading merchant. "No amount of industry or increased expenditure will protect a merchant who is not using the telephone to make sales.

The recognized source of information to which, by common consent, the community turns.

THE BELL TELEPHONE COMPANY OF CANADA
LOCAL LONG DISTANCE TELEPHONE

How they Hold Their Trade

READ this convincing example of the wonderful service to customers Long Distance makes possible. It is only one of many in our files. Like all the examples we quote, it is from the Subscriber's own statement:

"A Long Distance Order for $1,375.00 was received at 4.25 p.m. It was shipped at 5.10 p.m. The order was a long one and the charge for Long Distance was $4.25, but this expense amounted to only one-third of 1 per cent. of the sale.

Willingness to pay such trifling percentages to secure orders, coupled with such almost instantaneous service, is an effectual bar to competition.

THE BELL TELEPHONE COMPANY OF CANADA

A Great Step-Saver

"SPEAKING of Labor-Saving Devices" said Mrs. S———— "reminds me that I did not tell you about the extension telephone George had installed for me last week.

"With this extra telephone upstairs I have been saved dozens of tiresome trips.

"I can now call or answer the telephone on whatever floor I happen to be—up-stairs or down. The convenience of the service has been practically doubled."

For further information about extension telephones call our business office

THE BELL TELEPHONE COMPANY OF CANADA
LONG DISTANCE TELEPHONE

How SEQUENCE CALLS *Speed Up* SALES

ANYONE who calls the same parties by Long Distance more or less regularly, can—and should—use this new method to save time. It represents a great advance. All you have to do is give our Manager a list of the names and addresses.

It can be used for either Person-to-Person or Station-to-Station, and you can call all the names, or only those you designate.

Call our Manager and ask him to explain the details.

Many subscribers who used to think they had to make Person-to-Person calls, now find that they can reach the person they want with Station-to-Station calls. They are quicker and cheaper.
